

Career Cruising

Career Cruising is a free-to-use program that directly connects students to regional employers, allowing you to highlight opportunities for internships, job shadows, and more for students to connect with!

Become a Career Cruising Partner!

By becoming a Career Cruising partner you can create a company profile, highlighting your company and industry to local students, and connect with career-minded students. The impact of industry-led educational experience cannot be overstated and we need exemplar employers like you to help students find the career of their dreams! Join us, and begin building a sustainable talent pipeline for Greater Peoria.

Share Your Passion!

Do you love what you do? With Career Cruising Greater Peoria (GP) now you can share your passion and experience with Peoria Public Schools students. Career Cruising GP is a free-to-use network that connects Peoria Public Schools students to careers in Greater Peoria. By becoming a Career Coach you will help moderate career-specific discussion boards, allowing you to share your knowledge and insights with curious students. This a great, low-intensity way to give back to our community, while helping grow our local workforce!
