

Career Cruising

Career Cruising is a free-to-use program that directly connects students to regional employers, allowing you to highlight opportunities for internships, job shadows, and more for students to connect with!

Get Matched!

With Career Cruising's Career Matchmaker and My Skills inventory, your students are able to hone in on the careers they would thrive in! With over 600 careers, spanning the 17 career clusters in the Career Cruising database, you have a great opportunity to help your students begin their career journey.

Compare Colleges!

Your students can explore, compare, and contrast colleges from Greater Peoria and around the country; from trade schools, to two-year community colleges and four-year private colleges, your students can find the school and the price that's best for them!

Find Financial Aid!

Students can identify possible grants, search a scholarship database, and get information on how to fill in and submit the Free Application for Federal Student Aid (FAFSA). Further help your students think financially about college and student loans by checking out the Junior Achievement Build Your Future app on the MakeYourselfGP Educator page.

Learn and Earn!

Give your students an edge with Career Cruising's employment tools! Connected to Indeed.com, Career Cruising job search engine allows students to explore employment opportunities in Greater Peoria. With their easy-to-use Resume Builder, you can make sure your students are putting their best foot forward.

Get started today at MakeYourselfGP.org
